NEW HALL UPDATE.

By now every household in the parish should have received a letter from Guy Cruwys inviting all those living and working in the parish to pledge a donation to get the new hall built in 2013. This letter has come about after communication with Fred Leach of Leach Brothers of Witheridge who has kindly offered to build the new hall at a very favourable rate. This offer is not open ended and the Committee felt that the monies needed could be achieved by contacting parishioners as the hall so desperately needs to be replaced. The members of the Committee have been heartened by the generosity of those who have pledged sums of money, (We now have almost £143,000 in the fund) Whilst we still have a little way to go we are very hopeful that Fred Leach will be given the go ahead in the next couple of months.
